

## Buddy Foundation Brick Order Form

The Buddy Foundation is a no-kill animal shelter, dedicated to the rescue of stray, abused and abandoned animals. Every year over 5 million cats and dogs are euthanized in the United States simply because they were abandoned by uncaring humans. In one year The Buddy Foundation found homes for over 700 of those unfortunate souls.

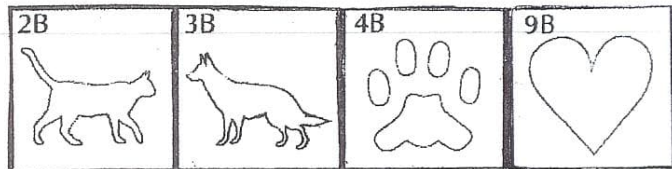

We had a dream of building a quality no-kill shelter and made it come true. After many years of fund raising efforts we can now call 65 West Seegers Rd in Arlington Heights our home. This is also the home for over 175 cats and dogs in our care.

You can make a difference in the lives of these animals by purchasing an engraved brick in the entryway of our shelter. Each 4x8 or 8x 8 brick can be engraved with your or your pets name, a living legacy of your love and dedication for animals. You can even have a picture of a cat, dog, paw print or heart engraved on your brick!
